## Hello Rio 2013! BCAPL Moves National Championships to the Rio All-Suites Hotel and Casino

On September 23rd CueSports International (CSI) announced two major changes for the BCAPL National Championships. **In 2013, the "Greatest Pool Tournament in the World" will move from May to July and will be moving to the Rio All-Suite Hotel & Casino in Las Vegas.**

The BCAPL National Championships have outgrown the space at the Riviera Hotel & Casino. **The 2012 (36th) BCAPL National Championships, scheduled May 9-20, 2012, will be the last year the event will be held at the Riviera.** CSI thanks the Riviera for hosting the championships for the past 18 years.

The relocation to the Rio All-Suite Hotel & Casino is scheduled for July 17-27, 2013. The move will allow the BCAPL to expand both the amateur nationals and CSI professional tournaments.

## Fall Marketing Tip!

### GOOBLE...GOBBLE

This quarterly Marketing idea is very timely. With the Fall in the US comes Thanksgiving and traditionally turkey, stuffing and gathering with family and friends. So...does your league hold a mid-session Turkey Shoot?

It is a nice break from team play, and gives your league players an opportunity to compete in singles events for cash and prizes.

*Have fun!*
